## The Sparrows' Carol

*Chorus: We are sparrows, sparrows in the snow  
frost on our feathers and ice in our bones  
so let us have a crumb, a crumb or two  
we'll sing the sparrows' carol for you.*

*One: A sparrow flew up, to heaven on high  
he sang for the Maker, the Maker of the sky  
so let us have a sip, a sip or three  
and a sparrow will sing from your Christmas tree!*

*Chorus: We are sparrows...*

*Two: The sparrow who flew from Bethl'em afar  
sang Hallelujah, Hallelujah!  
so let us have a coin, a coin or four  
and sparrows no longer shall be poor!*

*Chorus: We are sparrows...*

*Three: A sparrow sang loud when the Christ was born  
he sang from the holly and from the hawthorn  
so let us have a bite, to be of good cheer  
and you shall have a Christmas to last all year!*

*Chorus: We are sparrows, sparrows in the snow  
frost on our feathers and ice in our bones  
so let us have a crumb, a crumb or two  
we've sung the sparrows' carol for you!*
